IBS College Media Awards

Any student from an IBS member institution is eligible to enter the awards competition. Awards will be presented to radio station, not individual members; therefore students must enter the competition through their school to be eligible.

Rules for 2018-2019 IBS Awards

- Entries must be posted online and the link must be provided to IBS by the deadlines provided. You are free to post your materials wherever you like (i.e. station website, SoundCloud, YouTube, etc.), as long as we are able to click on it and play your entry.
- There is no need to mail anything for the awards anymore. Everything will be completed online. Your audio pieces must be posted online and a link must be included for judges to listen to.
- Entry forms are no longer required! Instead, station and/or individuals should fill out the Awards Entry Spreadsheet on our website. The template spreadsheet is provided at: <http://www.collegebroadcasters.us/content/awards/index.html>
- Failure to fill out the spreadsheet correctly will result in the spreadsheet being returned to you for corrections. Failure to provide a corrected spreadsheet will result in your entries being disqualified.
- Be sure to follow the requirements provided for each individual category. They have changed this year and failure to follow them may result in disqualification.
- Due to the increase in the number of entries, those who do not follow the above guidelines may be disqualified.
- Due to increased entries, there will be a limit of three entries per school, per category for all of our awards.
- Entries must have aired on the IBS member station between November 10, 2017 and November 8, 2018. Programs aired after November 8, 2018 will be eligible for the next year's competition regardless of whether or not the student is still enrolled.
- By entering this contest, you give IBS permission to air your entry on the IBS Student Radio Network or on IBSradio.org, but you retain the full rights to your entries.
- At the discretion of the judges, awards in all categories may not be given out due to either lack of number in entries or lack of quality entries.

- Entries submitted by the early bird deadline of October 26, 2018 are free! Entries submitted between October 27 and the final deadline of November 9, 2018 are \$10 per entry (with a maximum of \$300 per school).
- The IBS Awards are open to all IBS Members in good standing. Stations who are not current IBS members are welcome to submit their entries, but in order to be considered your station must be a current member (or renew/join IBS) by December 11, 2018. Entries from stations who are not current members as of December 11, 2018 may be disqualified.
- Each and every finalist in every single IBS Awards category will receive a trophy, which are provided to stations free of charge by IBS if you complete the following:
 - Stations must send at least one representative to the 79th International Media Conference March 1-3, 2019 in New York City.
 - Schools must register by January 31, 2019. Any schools who register after this deadline **will not** have their trophies in New York City. Trophies will need to be shipped to your school at the cost of \$39 per trophy for shipping/handling. Trophies not picked up at IBSNYC2019 on March 1st and 2nd, 2019, will **not** be shipped free.
- Judges will score each entry and those scoring in the top ten percentage of each category will be named finalists. The winner of each category will be revealed at our awards ceremony on Saturday at the 79th Annual IBS Conference.
- Any violation of these rules will result in the disqualification of the entry. Decisions of the judges are final.
